Visit "[The Iron Council](#)" on MotoLyrics.com

The last snow of this winter covers your bloody face  
The last moment of the eternal war  
No more happiness no more sun  
Nothing  
This is our iron council  
The last antagonist  
Standing strong against the new world  
Against the empty faces no more missionaries  
When the iron council is marching on  
Against your world against your one god

YOUR ONE GOD

THIS IS WHAT WE ARE  
THIS WHAT WE LOVE  
THIS IS ALL WE HAVE  
THIS IS WHAT WE ARE  
THIS IS WHAT WE LOVE  
THIS IS ALL WE HAVE

The wind brings the stench of decay  
Bitterness power and loyalty  
The three kings Â... of the iron council

THIS IS WHAT WE ARE  
THIS IS WHAT WE LOVE  
THIS IS ALL WE HAVE  
THIS IS WHAT WE ARE  
THIS IS WHAT WE LOVE  
THIS IS ALL WE HAVE
