Iâ€™ve died so many times â€“ so many years ago
Can you feel my pain?
My body in pieces â€“ my soul is dying
Nothing is forgiven, nothing
Iâ€™m just a number â€“ a virus
Nameless without any control
Iâ€™m back in this life
Feels so bad again
Stop me, please make me stop it
The pain goes on
Again and again
I donâ€™t know what to do, please help
Donâ€™t follow me, Iâ€™m dead anyway
Donâ€™t say goodbye, I was never here
Donâ€™t follow me, Iâ€™m dead anyway
Donâ€™t say goodbye, I was never here
Iâ€™m just a blank page
In the book of life
Iâ€™m a liar, a liar, yes, Iâ€™m you
Hatred all the time
A pervertâ€™s fuck up
Please kill me Iâ€™m stronger than before
Retarded, cold, end it all
Never needed here
Wasted time and wasted life
No hand in love
