Born – but never raised
You're not a human you're just a product
Fearful eyes – see nothing but death
Mutated ears hear nothing but cries
No beautiful home – safe and warm
Live in a cage full of dirt and pain
Hateful faces – so very unknown
Speaking in tongues you can't understand

WAKE UP IN HELL
HELL
WAKE UP IN HELL
HELL
WAKE UP IN HELL
HELL
WAKE UP IN HELL
WAKE UP! Slaughter! – Hacked to pieces

See those of your kind getting mutilated
This must be hell – this can't be real
This fucking fear paralyses my thoughts
There is no space – you can not move
You're meat stock now, reversed tragedy
This isn't hell – it's fucking real
Hell would be relief, no remorse in abattoirs
"Oh where am I? What's that I'm going through?
Where is my family? Will I see the light again?
This can't be real. I am human not an animal
You can't tread me like this! Is there no
compassion?"

[solo]

"Save me from my destiny. I can't stand this
anymore!
I am human not an animal!
I am human
Human!

WAKE UP IN HELL
HELL
WAKE UP IN HELL

HELL
WAKE UP IN HELL
HELL
WAKE UP IN HELL
WAKE UP!
