Danced all night, slept all day
Careless with my heart again
Fearless when it comes to playing games

You don't cry, you don't care
Afraid to have a love affair
Is it that you just don't really care?

Now I can't walk, I can't talk anymore
since you walked out the door
And now I'm stuck living out that night again
I'm not falling apart

Living off a sunny day
Time slows down
I wish you'd stay
Pass her by in a crowded dark hallway

Try my hardest not to scream
The bottom of my heart is full with grief
So leave your reasons on the bathroom sink

Now I can't walk, I can't talk anymore
since you walked out the door
And now I'm stuck living out that night again

I heard you say you needed me
Now what's the problem, I can't see you, mystery
I won't fall apart again
I'm not falling apart

Take what you wanted
I'll be just fine
You'll be better all alone at night
Waiting for me
Constantly calling
out your name
Will it ever change?

Now I can't walk, I can't talk anymore
since you walked out the door and

now I'm stuck living out that night again
I heard you say you needed me
Now what's the problem, I can't see you, mystery
I won't fall apart again
I'm not falling apart
