Can we start from getting uh  
Give me life, give me love  
Waiting for the day shes uh  
Flowers grow from the mud  
Time is precious, mine is gorgeous  
Patience, ugly, almost over  
Love is war, falling soldier  
Pay attention, can't afford it

Told her things I never said  
Things I've never done before  
Give my all, expecting more  
Tried of this, rest assure  
We playing games, whats the score?  
This feels like revolving doors  
I'm just trying to get up on her train of thought  
All aboard

I'm Weezy, don't tease me  
Just guide me, don't leave me  
Come see me, you need me  
Believe me baby  
I am Weezy, don't tease me  
Just guide me, don't leave me  
You need me  
But I'm not falling in love that easy baby

I'm not falling in love with ya, I'm not falling in love  
I'm not falling in love with ya, I'm not falling in love  
'Til I get a little more from you, baby  
Get a little more from you, baby

You were wrong for turning me on  
And on and on  
And on and on  
You make it so hard

I'm waiting for something, always waiting  
Feeling nothing, wondering if it'll ever change  
Then I give a little more, ooh, babe  
Give a little more, ooh, babe

I'm not falling in love with ya, I'm not falling in love  
I'm not falling in love with ya, I'm not falling in love  
'Til I get a little more from you, baby  
Get a little more from you, baby

I have no defense  
I know you're gonna get me in the end  
And I cannot pretend  
I never wanna feel this way again

I'm not falling in love with ya, I'm not falling in love  
I'm not falling in love with ya, I'm not falling in love  
'Til I get a little more from you, baby  
Get a little more from you, baby

I'm not falling in love with ya, I'm not falling in love  
I'm not falling in love with ya, I'm not falling in love  
'Til I get a little more from you, baby  
Get a little more from you, baby
