Put your hands all over  
Put your hands all over me  
Put your hands all over  
Put your hands all over me

I can't seem to find  
The pretty little face I left behind  
Wandered out on the open road  
Looking for a better place to call home

Gave her a place to stay  
And she got up and ran away  
Well now, I've had enough  
Her pretty little face has torn me up

Put your hands all over me  
Please talk to me, talk to me  
Tell me everything, it's gonna be alright

Put your hands all over me  
Please walk with me, walk with me now  
Love is a game you say  
Play me and put me away  
Put your hands all over me

Now you've lost your mind  
The pretty little girl I left behind  
And now you're getting rough  
But everybody knows you're not that tough

Wandered out on the open road  
Looking for a place to call your own  
Scared to death of the road ahead  
Pretty little thing, don't get upset

Put your hands all over me  
Please talk to me, talk to me  
Tell me everything, it's gonna be alright

Put your hands all over me  
Please walk with me, walk with me now  
Love is a game you say

Play me and put me away  
Love is a game you say  
Play me and put me away

Put your hands all over me  
Put your hands all over me  
Put your hands all over me  
All over me

So come down off your cloud  
Say it now, say it loud  
Get up in my face  
Pretty little girl, come make my day

Put your hands all over me  
Please talk to me, talk to me  
Put your hands all over me  
Now walk with me, walk with me now

Put your hands all over me  
Gotta talk to me, talk to me  
Come on now, babe  
Put your hands all over me  
Gotta walk with me, walk with me now

Love is a game you say  
Play me and put me away  
Love is a game you say  
Play me and put me away

Put your hands all over me  
All over me  
Put your hands all over  
Put your hands all over me
