If I fell in love with you
Would you promise to be true
And help me understand
'Cause I've been in love before
And I found that love was more
Than just holding hands

If I give my heart to you
I must be sure from the very start
That you would love me more than her

If I trust in you
Oh no please, don't run and hide
If I love you too
Oh please, don't hurt my pride like her

'Cause I couldn't stand the pain
And I would be sad
If our new love was in vain

So I hope you see love that
I would love to love you
And that she will cry
When she learns we are two

'Cause I couldn't stand the pain
And I would be sad
If our new love was in vain

So I hope you'll see that
I would love to love you
And that she will cry
When she learns we are two

If I fell in love with you, yeah
No no no no no
