Maroon 5:

Now as the summer fades, I let you slip away
You say I'm not your type, but I can make you sway
It makes you burn to learn that you're not the only one
I'd let you be if you put down your blazin' gun

Rihanna:

Now you've gone somewhere else, far away
I don't know if I will find you (find you, find you)
But you feel my breath on your neck
Can't believe I'm right behind you (right behind you)

Both:

Cause you keep me coming back for more
And I feel a little better than I did before
If I never see your face again, I don't mind
Cause we got much further than I thought we'd get
tonight

Rihanna & Adam:

Sometimes you move so well it's hard not to give in
I'm lost, I can't tell where you end and I begin
It makes me burn to learn you're with another man
I wonder if he's half the lover that I am

Maroon 5:

Now you've gone somewhere else, far away
I don't know if I will find you (find you, find you)
But you feel my breath on your neck
Can't believe I'm right behind you (right behind you)

Both:

Cause you keep me coming back for more
And I feel a little better than I did before
If I never see your face again, I don't mind
Cause we got much further than I thought we'd get
tonight

Maroon 5:

Baby, baby, please believe me
Find it in your heart to reach me

Promise not to leave me behind
(Promise not to leave me behind)

Rihanna:
Take me down but take it easy
Make me think but don't deceive me
Torture me by taking your time
(Torture me, torture me)

Rihanna:
Keep me coming back for more
And I feel a little better than I did before
If I never see your face again, I don't mind
Cause we got much further than I thought we'd get
tonight

Maroon 5:
Keep me coming back for more
And I feel a little better than I did before
If I never see your face again, I don't mind
Cause we got much further than I thought we'd get
tonight
