If good girls get down on the floor  
Tell me how low will a bad girl go

[Verse]

I wake up with blood-shot eyes  
Struggled to memorize  
The way it felt between your thighs  
Pleasure that made you cry  
Feel so good to be bad  
Not worth the aftermath, after that  
After that  
Try to get you back

[Bridge]

I still don't have the reason  
And you don't have the time  
And it really makes me wonder  
If I ever gave a fuck about you

[Chorus]

Give me something to believe in  
Cause I don't believe in you anymore  
Anymore  
I wonder if it even makes a difference to try  
(Yeah)  
So this is goodbye

[Verse]

God damn my spinning head  
Decisions that made my bed  
Now I must lay in it  
And deal with things I left unsaid  
I want to dive into you  
Forget what you're going through  
I get behind, make your move  
Forget about the truth

[Bridge]

I still don't have the reason  
And you don't have the time  
And it really makes me wonder  
If I ever gave a fuck about you

[Chorus]

Give me something to believe in

Cause I don't believe in you anymore

Anymore

I wonder if it even makes a difference,

It even makes a difference to try

And you tell me how you feelin

But I don't believe it's true anymore

Anymore

I wonder if it even makes a difference to cry

(Oh no)

So this is goodbye

[Breakdown]

I've been here before

One day I wake up

And it won't hurt anymore

You caught me in a lie

I have no alibi

The words you said don't have a meaning

Cause

[Bridge]

I still don't have the reason

And you don't have the time

And it really makes me wonder

If I ever gave a fuck about you

and I...And so this is goodbye

[Chorus]

Give me something to believe in

Cause I don't believe in you anymore

Anymore

I wonder if it even makes a difference,

It even makes a difference to try

And you tell me how you feelin

But I don't believe it's true anymore

Anymore

I wonder if it even makes a difference to cry

(Oh no)

So this is goodbye

So this is goodbye, yeah [x3]

(Oh no)
