I never knew perfection 'til
I heard you speak and now it kills me
Just to hear you say the simple things.
Now breaking up is hard to do,
And sleeping's impossible too.
Everything's reminding me of you,
what can I do?

It's not right,
Not okay.
Say the words that you say.
Maybe we're better off this way.

I'm not fine, I'm in pain.
It's harder every day.
Maybe we're better off this way,
Maybe it's better that we break.

A fool to let you slip away,
I chase you just to hear you say
You're scared and that you think that I'm insane.
The city looks so nice from here,
Pity, I can't see it clearly
While you're standing there it disappears,
it disappears.

It's not right,
not okay.
Say the words that you say.
Maybe we're better off this way.

I'm not fine, I'm in pain.
It's harder every day.
Maybe we're better off this way,
Maybe it's better that we break up.

Saw you sitting all alone,
You're fragile and you're cold,
But that's alright.
Life these days is getting rough,
They've knocked you down, and beat you up.

But it's just a roller coaster anyway.

It's not right,
not okay.
Say the words that you say.
Maybe we're better off this way.

I'm not fine, I'm in pain.
It's harder every day.
Maybe we're better off this way.

It's not right,
not okay.
Say the words that you say.
Maybe we're better off this way.

I'm not fine, I'm in pain.
It's harder every day.
Maybe we're better off this way,
Maybe it's better that we break, baby.
