Oh-oh-oh

Oh-oh-oh

You were in college, workin'™ part time, waitin'™
tables
Left a small town, never looked back
I was a flight risk, with a fear of fallin'™
Wonderin'™ why we bother with love if it never lasts

I say, "Can you believe it?"
As we're lyin'™ on the couch
The moment I could see it
Yes, yes, I can see it now

You remember, we were sittin'™ there, by the water
You put your arm around me for the first time
You made a rebel of a careless man's™ careful
daughter
You are the best thing that's™ ever been mine

Flash forward and we're™ takin'™ on the world
together
And there's™ a drawer of my things at your place
You learn my secrets and you figure out why I'm™
guarded
You say we'll™ never make my parents'™ mistakes

But we got bills to pay
We got nothin'™ figured out
When it was hard to take
Yes, yes, this is what I thought about

You remember, we were sittin'™ there, by the water
You put your arm around me for the first time
You made a rebel of a careless man's™ careful
daughter
You are the best thing that's™ ever been mine

Do you remember all the city lights on the water?
You saw me start to believe for the first time
You made a rebel of a careless man's™ careful

daughter
You are the best thing thatâ€™s ever been mine

Oh-oh-oh

And I remember that fight, 2:30 a.m.
You said â€˜everything was slippinâ€™ right out of our
hands
I ran out cryinâ€™, and you followed me out into the
street

Braced myself for the goodbye
â€˜Cause thatâ€™s all Iâ€™ve ever known
Then you took me by surprise
You said, â€œIâ€™ll never leave you aloneâ€

You said, â€œI remember how we felt sittinâ€™ by the
water
And every time I look at you, itâ€™s like the first time
I fell in love with a careless manâ€™s careful daughter
She is the best thing thatâ€™s ever been mineâ€

(Hold on, weâ€™ll make it last)
(Hold on, never turn back)
(Hold on) You made a rebel of a careless manâ€™s
careful daughter
(Hold on) You are the best thing thatâ€™s ever been
mine

(Hold on) Do you believe it?
(Hold on) Weâ€™re gonna make it now
(Hold on) And I can see it
(Yeah, yeah, yeah) (I can see it now)
