(Mac Miller)

There's something about my ego
Tell her back up, Tim Tebo, that TiVo
Up in the ride i'm leaning back in my seat low
You need those to just sex em
Bang that ass like back em, on dress em
respect em just for the night and after that to forget
them
neglected i'm sorry girl
turn the house into a party world
probably gonna get herself played, Atari
no time for tears if you cry, go Marley
got girls like an army, feelin kinda horny
love it when i wanna make a baby blunt be
talk cheap when i stand big. cuz. i.

(Adam Levine)

Just shoot for the stars
If it feels right
Then aim for my heart
If you feel like
And take me away, make it okay
I swear I'll behave

You wanted control
So we waited
I put on a show
Now I make it
You say I'm a kid
My ego is big
I don't give a shit
And it goes like this

Chorus:

Take me by the tongue
And I'll know you
Kiss me till you're drunk
And I'll show you
You want the moves like jagger
I've got the moves like jagger
I've got the mooooooves... like jagger

I don't need try to control you
Look into my eyes and I'll own you

With them the moves like jagger
I've got the moves like jagger
I've got the mooooooves... like jagger

Maybe it's hard
When you feel like you're broken and scarred
Nothing feels right
But when you're with me
I make you believe
That I've got the key

Ohh, so get in the car
We can ride it
Wherever you want
Get inside it
And you want to steer
But I'm shifting gears
I'll take it from here
oh yeah
And it goes like this

Chorus:
Take me by the tongue
And I'll know you
Kiss me till you're drunk
And I'll show you
You want the moves like jagger
I've got the moves like jagger
I've got the mooooooves... like jagger

I don't need try to control you
Look into my eyes and I'll own you

With them the moves like jagger
I've got the moves like jagger
I've got the mooooooves... like jagger

(Mac Miller)
I'm a rich bastard Mcjagger
Say I got them moves
I was Rollin Stone, girls call my phone
Let it ring im way too cool
Get a little bit of dough when i'm in arenas
messin with these hoes, I be so eager
but no need to tease her
I'ma go with Christina, ugh

(Christina Aguilera)

So watch and learn
I won't show you twice
Head to toe, ooh baby, roll me right
And if I share my secret
You're gonna have to keep it
Nobody else can see this
ay, ayy, ayy, ayyyy

(Adam Levine)
And it goes like this
Take me by the tongue
And I'll know you
Kiss me till you're drunk
And I'll show you
You want the moves like jagger
I've got the moves like jagger
I've got the mooooooves... like jagger
