You push me  
I don't have the strength to  
Resist or control you  
Take me down  
Take me down  
You hurt me  
But do I deserve this?  
You make me so nervous  
Calm me down  
Calm me down  
[Chorus]  
Wake you up  
In the middle of the night to say  
I will never walk away again  
I'm never gonna leave this bed  
So come here  
And never leave this place  
Perfection of your face  
Slows me down  
Slows me down  
So fall down  
I need you to trust me  
Go easy, don't rush me  
Help me out  
Why don't you help me out ?  
[Chorus]  
Wake you up  
In the middle of the night to say  
I will never walk away again  
I'm never gonna leave this bed  
You say "Go, it isn't workin' "  
And i say "No, it is perfect"  
So I stay and stand  
I'm never gonna leave this bed  
Take it  
Take it all  
Take all that i have  
I'll give it all away just to get you back  
Fake it  
Fake it all  
Take what i can get  
Knockin' so loud

Can't you hear me yell ?  
I try to stay away, but you can't forget  
Wake you up  
In the middle of the night to say  
I will never walk away again  
I'm never gonna leave this bed  
You say "Go, it isn't workin' "  
And i say "No, it is perfect"  
So I stay and stand  
I'm never gonna leave this bed  
Take it  
Take it all  
Take all that i have  
Take it  
Take it all  
Take all that i have
