You push me
I don't have the strength to
Resist or control you
So take me down, take me down

You hurt me
But do I deserve this?
You make me so nervous
Calm me down, calm me down

Wake you up
In the middle of the night to say
I will never walk away again
I'm never gonna leave this bed, oh

So come here
And never leave this place
Perfection of your face
Slows me down, slows me down

So fall down
I need you to trust me
Go easy, don't rush me
Help me out, why don't you help me out?

Wake you up
In the middle of the night to say
I will never walk away again
I'm never gonna leave this bed, oh

So you say "Go, it isn't working"
And I say "No, it isn't worth it"
So I stay instead
I'm never gonna leave this bed

Take it, take it all
Take all that I have
I'd give it all away just to get you back

And fake it, fake it all
Take what I can get

And I can slow it out
Can you hear me yet
Try to stay awake but you can't forget

Wake you up
In the middle of the night to say
I will never walk away again
I'm never gonna leave this bed, oh

You say "Go, it isn't working"
And I say "No, it isn't worth it"
So I stay instead
I'm never gonna leave this bed, ooh

Take it, take it all
Take all that I have
Take it, take it all
Take all that I have
Take it, take it all
Take all that I have
Take it, take it all
Take all that I have

Take it, take it all
Take all that I have
Take it, take it all
Take all that I have
Take it, take it all
Take all that I have
