### Verse 1

You say you need someone  
But everybody does  
I'm no different than you  
I just believe what I do

You point your finger at  
Everyone but yourself  
And blame the ones that you love  
Who're only try'n to help

### Bridge

As it's winding down to zero  
I am yours like a hero  
I'll see this through  
There's so much me and you  
Take this enemy together  
Fight these demons off forever forever forever forever

### Chorus

5,4,3,2,1 I won't stop until it's done  
No curtain call, I will not fall  
This may be the one we've been waiting for  
No curtain call, just take it all

### Verse 2

I have no time for fear  
Or people in my ear  
Head down and running so fast  
Try not to dwell on the past

I'm fighting through this pain  
And things I cannot change  
Running right into the flame  
Rather than running away

### Bridge

### Chorus

### 2nd Bridge

Sweat drips down from every angle

Love your body as it gathers in a pool by your feet  
You turn up the heat  
tossin and turnin, you cannot sleep  
Quietly weep,your in too deep

Chorus x2
