When you refuse me, you confuse me
What makes you think I'll let you in again?
Think again, my friend
Go on, misuse me and abuse me
I'll come out stronger in the end

Does it make you sad to find yourself alone?
Does it make you mad to find that I have grown?
I'll bet it hurts so bad to see the strength that I have
shown

When you answer the door, pick up the phone
You won't find me 'cause I'm not coming home

You do not know how much this hurts me
To say these things that I don't want to say
But have to say them anyway, oh
I would do anything to end your suffering
But you would rather walk away

Does it make you sad to find yourself alone?
Does it make you mad to find that I have grown?
I'll bet it hurts so bad to see the strength that I have
shown

When you answer the door, pick up the phone
You won't find me 'cause I'm not coming home, oh
yeah

Does it make you sad to find yourself alone?
Does it make you mad to find that I have grown?

Does it make you sad to find yourself alone, yeah?
Does it make you mad to see that I have grown?
I'll bet it hurts so bad to see the strength that I have
shown, oh

When you answer the door, pick up the phone
You won't find me 'cause I'm not coming home yeah,
yeah

When you answer the door, pick up the phone

You wont find me 'cause I'm not coming home yeah,
yeah

When you answer the door, pick up the phone
You wont find me 'cause I'm not coming home
