OohÂ...

Danced all night, slept all day  
Careless with my heart again  
Fearless when it comes to playing games

You donÂ't cry, you donÂ't care  
Afraid to have a love affair  
Is that your ghost or are you really there?

Now I canÂ't walk, I canÂ't talk anymore  
Since you walked out the door  
And now IÂ'm stuck living out that night again  
IÂ'm not falling apart

Ooh, oh

Weather on a sunny day  
Time slows down; I wish youÂ'd stay  
Pass me by in crowded, dark hallways  
Mmm

Try my hardest not to scream  
I find my heart is growing weak  
So leave your reasons on the bathroom sink

Now I canÂ't walk, I canÂ't talk anymore  
Since you walked out the door  
And now IÂ'm stuck living out that night again

IÂ'm not falling apart

I heard you say you needed me now  
WhatÂ's the problem I canÂ't see  
You destroyed me, I wonÂ't fall apart again  
IÂ'm not falling apart

Take what you want  
I will be just fine  
You will be better off alone at night  
Waiting and falling  
Constantly calling out your name

Will it ever change?

Now I can't walk, I can't talk anymore  
Since you walked out the door  
And now I'm stuck living out that night again  
I'm not falling apart

I heard you say you needed me now  
What's the problem I can't see  
You destroyed me, I won't fall apart again  
I'm not falling apart

Ohh, ooh
