How ya feelin'?  
The day has had its way with both of us  
And oh, I've gone out of my way  
But I'm not free  
From this pain I'm feeling  
I was a fool to think someday  
You would come around  
But no, no, no  
I'm not thinking that way

'Cause now i see  
You are not what you seem  
You are a mystery to me  
Sometimes I just want to scream

I think you should just go away 'cause  
There's no necessity for you to stay and  
Next time you come around my way  
Forget it baby  
You're not comin' in

How's your day been? (yeah)  
'Cause mine has taken strange and ugly turns  
But no, no, no  
I feel better today  
Because I'm off my knees

You are not what you seem  
You are a mystery to me  
Sometimes I just want to scream  
I think you should just go away 'cause  
There's no necessity for you to stay and  
Next time you come around my way  
Forget it baby  
You're not comin' in  
A heart ready for a life of sorrow  
No you can't come back tomorrow  
Shut my windows  
Lock my doors  
'Cause my heart won't be your ragdoll anymore (yeah)

I think you should just go away 'cause

There's no necessity for you to stay and  
Next time you come around my way  
Forget it baby  
You're not comin' in  
A heart ready for a life of sorrow  
No you can't come back tomorrow  
Shut my windows  
Lock my doors  
'Cause my heart won't be your ragdoll anymore (oh oh  
yeah yeah)

'Cause my heart won't be your ragdoll anymore
