1 - [Mary]

Can't have you, if I wanted to  
Can't let you get away from me  
Can't have you, if I wanted to  
Can't let you go, no

Repeat 1

[Mary]

Looking in my mirror  
Thinking 'bout last night  
I can't help but see you  
Running often through my mind

Repeat 1

[Mary]

You were saying Mary  
Don't let go, hold tight  
I just wanna hold you  
All through the night

2 - [Mary]

This is something that I can't deny  
Boy you know your touch just drives me wild  
Won't you take my hand I'll set you free  
I want you to belong to me

Repeat 1

[Mary]

Oh, oh oh oh, oh, oh, oh

[Jadakiss]

Uh, uh-huh, uh, uh, uh, uh, uh-huh, uh  
Yo, yo, yo  
You might bump into the Kiss late night  
Or on the DN speeding  
In the drop, four thirty on my way to rock a birdie  
With automatic lead in the car, bread in the car  
Plus I'm gettin' head in the car

My wedding tomorrow  
More dutchies to the head, the ready you are  
After the session with shorty  
I'll be better tomorrow  
And you know how we are  
We always keep one or two  
That don't say much  
Like to hit a blunt or two  
Or don't mind driving with raw in the trunk  
Or freaking off for the week  
Top floor in the trunk  
Just laying back blowing  
Twenty five's a skull  
The our keys by the door with bow ties and posts  
Can't let me get away  
But you ain't ready for Kiss  
Got the Chevy and the six  
Wrists heavy and shit  
Matter of fact we gonna take a trip  
And put the dats up  
And cop the pink lemonade Cadillac truck

Repeat 1 (2x)

Repeat 2

Can't have you, if I wanted to  
Can't have you,  
Can't let you go, no  
Can't have you, if I wanted to  
Can't have you,  
Can't let you go, no

Repeat 1 till end
