Beauty queen of only eighteen
She had some trouble with herself
He was always there to help her
She always belonged to someone else

I drove for miles and miles
And wound up at your door
I've had you so many times but somehow
I want more

I don't mind spending every day
out on your corner in the pouring rain
Look for the girl with the broken smile
Ask her if she wants to stay awhile
And she will be loved
And she will be loved

Tap on my window, knock on my door
I want to make you feel beautiful
I know I tend to get so insecure
It doesn't matter anymore

It's not always rainbows and butterflies
It's compromise that moves us along (yeeah)
My heart is full and my doors always open
You can come anytime you want (yeah!)
[Songs About Jane Lyrics on]
I don't mind spending every day
out on your corner in the pouring rain
Look for the girl with the broken smile
Ask her if she wants to stay awhile
And she will be loved
And she will be loved
And she will be loved
And she will be loved

I know where you hide
Alone in your car
Know all of the things that make you who you are
I know that goodbye means nothing at all
Comes back and begs me catch her every time she

falls(yeeahh)

Tap on my window,
Knock on my door
I wanna make you feel beautiful

I don't mind spending every day
out on your corner in the pouring rain
Look for the girl with the broken smile
Ask her if she wants to stay awhile
And she will be loved
And she will be loved
And she will be loved
And she will be loved
