### Stutter Lyric

I really, I really  
Whoa  
I really need to know  
I really, I really  
Whoa  
Or else, ya gotta let me go, oh  
I really, I really

This time I really need to do things right  
The shivers that you give me keep me freezing all night  
You make me shudder  
I cant believe it, IÂ'm not myself  
Suddenly IÂ'm thinkinÂ' about no one else  
You make me shudder

I really, I really need to know  
Or else ya gotta let me go

YouÂ're just a fantasy girl  
ItÂ's an impossible world  
All I want is to be with you always

I give you everything  
pay some attention to me  
all I want is just you and me always

Give me affection  
I need your perfection  
You feel so good you make me stutter, stutter

If I could touch you I would never let go  
Now you got me screaming and I can not shut up  
Oh, now IÂ'm lying on the bedroom floor  
Barely even speaking and I can not get up  
I really, I really, I really need to know  
Or else ya gotta let me go, oh

YouÂ're just a fantasy girl  
ItÂ's an impossible world  
All I want is to be with you always

I give you everything  
Pay some attention to me  
All I want is just you and me always

Give me affection  
I need your perfection  
You feel so good you make me stutter

I really, stutter, I really, stutter, stutter  
You knock me down, I cant get up, IÂ'm stuck  
Gotta stop shakinÂ' me up  
I cant eat, cant sleep, cant think, sinking under  
IÂ'm sinkinÂ' under

YouÂ're just a fantasy girl  
ItÂ's an impossible world  
All I want is to be with you always

I give you everything  
Pay some attention to me  
All I want is just you and me always

YouÂ're just a fantasy girl  
ItÂ's an impossible world  
All I want is to be with you always

Give me affection  
I need your perfection

Coz, you feel so good you make me stutter,

I really, I really, You make me stutter
