I'm full of regret
For all things that I've done and said
And I don't know if it'll ever be ok to show
My face 'round here
Sometimes I wonder if I disappear
Would you ever turn your head and look
See if I'm gone
Cause I fear
There is nothing left to say to you
To you
That you wanna hear
That you wanna know
I think I should go
The things I've done are way too shameful
You're just an innocent
A helpless victim of a spider's web
And I'm an insect
Going after anything that I can get
So you better turn your head and run
And don't look back
Cause I fear
There is nothing left to say to you
To you

That you wanna hear
That you wanna know
I think I should go
The things I've done are way too shameful
And I've done you so wrong
Treated you bad
Strung you along
Oh shame on myself
I don't know how I got so tangled up
You better turn your head and look
See if i'm gone
Cause I fear
There is nothing left to say to you
That you wanna hear
That you wanna know
I think I should go
The things I've done are way too shameful
And I've done you so wrong
Treated you bad
Strung you along
Oh shame on myself
I don't know how I got so tangled
