She was a bad thing coming
But I did not know
And everytime I came over
She told me I had to go

I said "Hey what's going on
I really want to know"
She said I cannot tell you now
But I'll call you tomorrow

That's not enough
I want more
I want it all
I want to bang
On your frontdoor

Turn off the lights
And show you out the world
Cause at the end of the day
Aren't we all just boys and girls

She slipped me with sadistication
So much class
She drinks a Santa Margarita
Would you like a glass

I don't know how to say no
And after three or four
I was on the floor
Singing my song
La la la no no

That's not enough
I want more
I want it all
I want to bang
On your frontdoor

Turn off the lights
And show you out the world
Cause at the end of the day

Aren't we all just boys and girls

La la la no no

That's not enough

I want more

I want it all

I want to bang

On your frontdoor

Turn off the lights

And show you out the world

Cause at the end of the day

Aren't we all just boys and girls

Aren't we all just boys and girls

Aren't we all just boys and girls

We all just boys and girls

We all just boys and girls
