[Ice Cube]

It's a man's world, but check the girl  
With the Mac 11, 187  
Hit the switch, front, back, side to side  
Corner to corner, punk you a goner  
Don't fuck around and get doled up  
Cause we got the Westside sewed up  
Ike and Tina, Marie and Donnie  
Ashford and Simpson, Clyde and Bonnie  
I don't know karate, but I know crazy  
You'd better ask somebody  
And when I do dirt, jerk  
Nobody move, nobody get hurt

[Yo-Yo]

I'm the type of girl that's down for my nigga  
I'll lie for my nigga, peel a cap for my nigga  
See he don't mind me flirting, wearing tight skirts and  
Cause when it's all over it's curtains  
What they don't know won't hurt  
Uh, they searching on him, I got the gat in my skirt  
Yeah, just clowning fools  
And my dude's giving the girls blues  
My gat is quite fat, don't you think so, ho?  
But come out those clothes, my nigga can fit those  
You ain't seen nothing til you seen us both jacking  
Pulling on the side of fools, straight ratpacking

[Ice Cube] Got me a down girl on my team  
[Yo-Yo] The Bonnie and Clyde theme, yeah  
Got me a down-ass nigga on my team  
[Ice Cube] The Bonnie and Clyde theme

[Yo-Yo]

See every now and then my man had a plan  
To hook me up with his closest friends  
Take me to the bar, maybe mingle and kick it  
Let him think he's getting over while I gank him for his  
riches  
Robbing, stealing, killing at willin  
Always on the go cause his shit was always loco

Giving up funky vibes to all you funky tribes  
Stick together like us and hoo-rides  
Like Bonnie and Clyde we gonna slide right on  
Let my nigga take over, I'm taking my bank to the  
house  
When we get to the house we straight celebrating  
Giving up that gangsta ?triggeration?

[Ice Cube]

La la la, watch me par-lay  
Hey, with the getaway car  
Now here comes the Predator  
I'm down with Yo Yo and everybody is scared of her  
Hitting with the wicked shit  
I'd like to dick a chick  
But now I'm robbing quick and split  
So give me that money, devil  
One for the treble, the rhythm is the rebel  
When you turn red  
You get a hole in your head, a fucking hole in your  
head  
Cause my freedom got an AK  
Bonnie and Clyde equal homicide, yeah

[Yo-Yo] Got me a down-ass nigga on my team

[Ice Cube] The Bonnie and Clyde theme, yeah

Got me a down girl on my team

[Yo-Yo] The Bonnie and Clyde theme

[Ice Cube]

Run run run from the ghetto bird  
Cause I'm down and I got the third-  
Five seven, pointed at your boys and hos  
No one knows where the lead poison goes  
Cause I'm in the ho checks  
Yeah, come off the Rolex  
If not, I'm a give Bonnie some  
Film at 11 by Connie Chung  
No regret, on man wet  
Leaving the scene throwing up my set  
Hit you up and then I'm out  
Yeah, you're left with a dick in your mouth

[Yo-Yo]

See that gangsta mentality drove niggas to insanity  
You wanna be down to kill a whole fucking family  
You can lock us up if you want, don't matter  
But give em a bail and we'll be right back at cha  
Don't underestimate me when you date me  
Got my clamp off safety, that'll make you hate me  
Frankly, I don't give a damn, once again I slam

You'd better ask who I am  
Riding all around town, everybody's looking round  
Cause we're known and we throw down  
Cause you know a nigga done got ganked for his mail  
or his dank  
Yo Yo and Cube is in the house for 9-tre

[Ice Cube] Got me a down girl on my team  
[Yo-Yo] The Bonnie and Clyde theme, yeah  
Got me a down-ass nigga on my team  
[Ice Cube] The Bonnie and Clyde theme

[Ice Cube] Got me a down girl on my team  
The Bonnie and Clyde theme, yeah

[Yo-Yo]  
Yeah you trick motherfuckers, you thought I fell off  
Stupid ass... (laughs)
