In the middle of Hollywood Boulevard  
Screaming at each other, screaming at each other like oh oh ohh  
Can't take it any more  
Like a tragedy, like a dark comedy  
Laughing at each other, laughing at each other like oh oh oh  
It isn't funny any more

I was the man who never lied  
Never lied until today  
But, I just couldn't break your heart  
Like you did mine yesterday  
I was the man who never lied, (oh oh oh)  
I was the man who never lied, (oh oh oh)

Sometimes honesty is the worst policy  
Happy ever after, happy ever after, let it go oh oh  
You never need to know oh oh  
I don't wanna be picking up all of these tiny little pieces, tiny little pieces, of  
your heart  
Won't do it any more

I was the man who never lied  
Never lied until today  
But, I just couldn't break your heart  
Like you did mine yesterday  
I was the man who never lied, (oh oh oh)  
I was the man who never lied, (oh oh oh)  
I was the, I was the€¡ yeah, yeah, oh, oh

In the middle of Hollywood Boulevard  
What am I doing, Hollywood Boulevard  
In the middle of Hollywood Boulevard  
Screaming at each other, scream

I was the man who never lied  
Never lied until today  
But, I just couldn't break your heart  
Like you did mine yesterday

I was the man who never lied  
Never lied until today  
But, I just couldn't break your heart  
Like you did mine yesterday  
I was the man who never lied, (oh oh oh)  
I was the man who never lied, (oh oh oh)
