Now as the summer fades, I let you slip away  
You say I'm not your type but I can make you sway  
It makes you burn to learn that you're not the only one  
I'd let you be if you put down your blazing gun

Now you've gone somewhere else, far away  
I don't know if I will find you  
(Find you, find you)  
But you feel my breath on your neck  
Can't believe I'm right behind you  
(Right behind you)

~Cause you keep me coming back for more  
(Coming back for more)  
And I feel a little better than I did before  
If I never see your face again, I don't mind  
~Cause we got much further than I thought we'd  
get tonight

Sometimes you move so well it's hard not to give in  
I'm lost, I can't tell where you end and I begin  
It makes you burn to learn I'm with another  
man  
I wonder if he's half the lover that I am

Now you've gone somewhere else, far away  
I don't know if I will find you  
(Find you, find you)  
But you feel my breath on your neck  
Can't believe I'm right behind you  
(Right behind you)

~Cause you keep me coming back for more  
(Coming back for more)  
And I feel a little better than I did before  
If I never see your face again, I don't mind  
~Cause we got much further than I thought we'd  
get tonight

Baby, baby, please believe me  
Find it in your heart to reach me  
Promise not to leave me behind

(Promise not to leave me behind)

Take me down but take it easy  
Make me think but don't deceive me  
Torture me by taking your time  
(Torture me, torture me)

'Cause keep me coming back for more  
And I feel a little better than I did before  
If I never see your face again, I don't mind  
~Cause we got much further than I thought we'd  
get tonight  
(Torture me, torture me)

Keep me coming back for more  
(Coming back for more)  
And I feel a little better than I did before  
(Did before)  
If I never see your face again, I don't mind  
~Cause we got much further than I thought we'd  
get tonight
