Lyrics written by Mary Applegate & Marque
Music written by Marque

I can see her lying next to me
In red lace
Like an angel on a silverscreen
Her face

She's seduction in the 3rd degree
I know
Tempt me once
And that's enough
For my soul

Chorus:
As long as she smiles
I can be crucified
Held down on bended knee
Her smile will rescue me.

I can walk across the burning coals
No Pain
She's the temple that I worship in
My saint

But it's too late
I can't let go
And she knows

Chorus:
As long as she smiles
I can be crucified
Held down on bended knee
Her smile will rescue me.

As long as she smiles
I can be crucified
Held down on bended knee
Her smile will rescue me.

As long as she smiles
I can be crucified

Held down on bended knee
As long as she smiles for me.
