[verse 1][Marques]

See, normally a brotha wouldn't talk about his first time
But, i'ma just be real wit ya'll and say what's on my
mind,
I remember like yestaday just a lil man, I had no
clue, just quite didn't understand
Looked up to big bro for a lil advise he said, "young bro
what eva you do just make sure you strap twice"
I was only nervous bout it bein my first time
But I said what the heck this girl is too dang fine...

[chorus][Marques]

My very first time, in the house, on the couch, in ya
parents bed room rememba
My very first time, just can't wait till the day that I see
you again rememba
My very first time it was just as special to me as it was
to you gurl
My very first time, and I will neva for get my first time

[verse 2][marques]

See, it was Sunday afternoon moms and pops was gone
We had to be on the low 'cause they was on their way

I can't believe it's happenin that's what im thinkin in my
head
Lasted like a minute but it seemed like for eva
We almost got caught but i was to dang cleva
Parents came home from church and i was outta there
like a drop of a dime..
Man I will neva for get my first time..

[BRIDGE]

This goes out to the first, do you know when i will see
you again, and no matter how old we both get, no
regrets, i will neva for get my first time

(CHORUS)

[BRIDGE]

See some of ya'll might have started early

Some of ya'll started late
But all i know when i started i thought it was great
This goes out to all my lil brotha's in the world just

Clap ya hands if you remember yo first time,yo first
