Whenever you're in trouble baby
I will stand right by your side
Whenever you're in trouble baby
I will stand right by your side

You fall " you stumble
You're making mistakes
Forget to call me
You know I will wait

Whenever you're in trouble baby
I will stand right by your side
Whenever you're in trouble baby
I will stand right by your side

You fall " you stumble
You're making mistakes
Forget to call me
You know I will wait

Forget to call me
Forget baby to call me

Whenever you're in trouble baby
I will stand right by your side
Whenever you're in trouble baby

I will stand right by your side

You break my legs
You break my bones
I will stand right by your side
You call me names
Throw sticks and stones
I will stand right by your side

You break my legs
You break my bones
I will stand right by your side
And when you kiss me !!!
I will stand right by your side

Whenever you're in trouble baby
I will stand right by your side
Whenever you're in trouble baby
I will stand right by your side
