Well for nine years or ten  
She was engaged to Dan  
She never thought of another man

But then she felt something new  
She didn't know what to do  
She wasn't sure if this love was true

She was never happy  
She was never sad  
She never felt that lucky  
With the boy she had  
One day she just realized a new plan  
To share her life with three men

And she found  
One to make her happy  
One to make her sad  
One to give her good love  
That she never had  
Daisy and her boyfriends  
Livin' in a house  
Sharing just a good life

That was four years ago  
Now Daisy blew the whole show  
And all the boys had to face the end

But when she opens the door  
You see some kids on the floor  
I don't believe they're from heaven sent

She was never happy  
She was never sad  
She never felt that lucky  
With the boy she had  
One day she just realized a new plan  
To share her life with three men

And she found  
One to make her happy  
One to make her sad

One to give her good love  
That she never had  
Daisy and her boyfriends  
Livin' in a house  
Sharing just a good life

Now she's got  
1 for the money  
2 for the show  
3 to get ready  
Now go Daisy go!
