She's got my mind in her head
She is a sexual heat
She's got my eyes in her bed
And that is all that I need

Just like a storm she appears
For her it's only a breeze
The situation is clear
She's got me down on my knees

And when she walks into the room
I go: CRASH-BANG-BOOM
If she's the sun I'll be the moon
I go: CRASH-BANG-BOOM

She's got a love that's so pure
She gives me high energies
And with her sensual cure
She's shaking every disease

Well every game that she plays
Means hell and heaven to me

She puts a smile on my face
If that's what she wants to see

And when she walks into the room
I go: CRASH-BANG-BOOM
If she's the sun I'll be the moon
I go: CRASH-BANG-BOOM

She's the most splendored thing
She's my ding-a-ling-ling
She's got my heart and every beat in control
She's my *fâçâ, -Ã...Â¾* robin in spring *fâçâ, -Ã...
Â¾*
She's my ding-a-ling-ling
Since she became:
The pirate of my soul
