Real Sensation (Beat Version)

Written by Marque

For 7 month I heard nothing
But rumors about her
Everybody said she was gone to stay
To start a new life that's worth living for.
She was looking for something new - aha.

She didn't give a ring.
She didn't give call.
I just walked into that room
And she was standing by the bar.

I couldn't believe my eyes
I was hypnotized by the way she looked
And what she said to me.

Chorus:
She said:
If you're looking for a real sensation
Baby - I'll be there
If you're looking for a real sensation
Baby - I'll be there

She was wearing a black suit.
Was jiving to the Dj's beat.
She was smoking cigars like Al Pacino
On the street.
She was talking with a deeper voice than me
I tell you - she was a he.

Chorus:
She said:
If you're looking for a real sensation
Baby - I'll be there
If you're looking for a real sensation
Baby - I'll be there

I'll be there for you
I'll be there for you
I'll be there for you

What's been going on with you?
What have you done?
You must be thinking I don't care
What's between me and you.
You know, I was in a hurry
When I left the town - aha! good? Alright.

If you're looking for a real sensation
Baby - I'll be there
If you're looking for a real sensation
Baby - I'll be there
