I don't want another day
of someone feelin sorry for me
save your tears cause they won't help me now

I don't need to hear you say
that we can never be the same
I got different plans so hear me out

Faces, new and with the times
will leave old thoughts behind
it's time you know

And everybody has a right to be (all that they can be)
nothing is impossible you see (take a look at me)
and ever since the day that I was born (say it, say
itCyeah)
I've never seen a rose without a thorn (rose without a
thorn)

No one's perfect C it's alright
maybe that's the secret to life
isn't that what we all want to know

I'm just a little plan of
this planet and of Gods love
I've been waiting for this day to show C yeah

Faces, new and with the times
will leave old thoughts behind
it's time you know

And everybody has a right to be (all that they can be)
nothing is impossible you see (take a look at me)
and ever since the day that I was born (say it, say
itCyeah)
I've never seen a rose without a thorn (rose without a
thorn)

Look at the boy with a girl
doesn't beauty lie skin-deep
thru the eyes
of who's looking at you baby

now it's the time
they have the right C to it all
and to be together
this is more than just a song
it's a poem to right what's wrong
anytime to change forever!!

And everybody has a right to be (all that they can be)
nothing is impossible you see (just take a look at me)
and ever since the day that I was born (say it, say it-
yeah)
I've never seen a rose without a thorn (rose without a
thorn)
