T.U.G..Ugh...

[Verse 1]

Beautiful she seemed but looks aint everything to me  
She tared up enough of me, and every single part of  
me (yehhh)

[Chorus]

She had me squirmed, i didn't know what to do  
Cause i was grinden full truth  
Sayin "That girl is something else"  
I got caught up  
My feelings i can't control  
I trusted everything i had with her like i was something  
else

[Verse 2]

I made the wrong decisions that i shoudnt have made  
She played me, betrayed me  
Cant beleive i fell for this girl (oh woo)  
Oh you was suppost to be my girlfriend  
But you lied to me babe (oh)  
Now i realize that you aint worth my time  
You aint worth it baby (so now i gotta let you go)

[Chorus]

She had me squirmed, i didn't know what to do  
Cause i was grinden full truth  
Sayin "That girl is something else"  
I got caught up  
My feelings i can't control  
I trusted everything i had with her like i was something  
else

[Break Down]

Oh you was suppost to be my girlfriend

But you lied to me babe (oh)  
Now i realize that you aint worth my time  
You aint worth it baby

[Hook]

She had me squirmed, i didn't know what to do  
Cause i was grinden full truth  
Sayin "That girl is something else"  
I got caught up  
My feelings i can't control  
I trusted everything i had with her like i was something  
else

[Outro]

Something else....Something else
