He said I want to please you  
He said I'll do you right  
She said whatever you do  
How do you know what I like?

One step forward with a helping hand  
Two steps back where's the man?  
When I show - baby please don't go  
If what you see is not what you need J

He may be thick  
He may be tall  
He may be thin  
He may be small  
But if you're in love  
I am your wonderman

He may be short  
He may be long  
Maybe you laugh  
About this song  
But if you're in love  
I am your wonderman

Here we have a simple question  
Where we want to know the size  
Helps a lot with an erection

Better under candlelight

One step forward with a helping hand  
Two steps back where's the man?  
When I show - baby please don't go  
If what you see is not what you need J

He may be thick  
He may be tall  
He may be thin  
He may be small  
But if you're in love  
I am your wonderman

He may be short  
He may be long  
Maybe you laugh  
About this song  
But if you're in love  
I am your wonderman
