Let's go

[Verse 1]

I can't blame you if you want to leave
Cause I'm not the man that I once used to be
But there's a change that has come over me
So before you go, listen to my last plea

[Chorus]

All because of you
Ooh, you're the love of my life
And I was doing wrong, but I wanna do right
no more stayin out all night
Wanna make it right, gonna change my life
I don't wanna play no games
Wanna change your name to my name, baby
Not gonna be the man that I used to be, no
I changed because of you

Can't take back the things that I did before
But baby, I'm promisin' that my heart is yours [yours]
I know it ain't easy, baby
But you gotta believe me, baby
All I'm askin' for is one more chance
I'm changing because of you

[Chorus]

All because of you
Ooh, you're the love of my life
And I was doing wrong, but I wanna do right
no more stayin out all night
Wanna make it right, gonna change my life
I don't wanna play no games
Wanna change your name to my name, baby
Not gonna be the man that I used to be, no
I'm changing because of you

I, I I I I wanna do right by you, girl
I, I I I I wanna spend my life with you, girl
I don't wanna play no games
Wanna change your name to my name, baby
I'm turnin' in my playa's card
All because of you

[Young Rome]

It used to be that you in the club poppin' bottles, wrists
glistenin'
Shortie tried to tell me "Chill!", but I wasn't listenin'
I can't deny, you knew me from bein' immature
My way of sayin' sorry, take you to the country store
You told me all you really wanted was to see me more
Then the stress hit me hard like a meteor
I hit rock bottom, you was there to pick me up
I neglected you, we didn't hug and kiss enough
But you never do nothin' up in my face
Gave me all your love and your warm embrace
Now I see, I'll never find another like you
You the type Boo, make a playa wanna wife you
But me and you, this money's not a issue
When I miss you, when I touch you, I can feel it in my
bone grisle
I'm still wit you and I'm sorry bout the way I did you
Knowing that you changed is moving
And I know You did it
Rome!

[Chorus]

All because of you
Ooh, you're the love of my life
And I was doing wrong, but I wanna do right
no more stayin out all night
Wanna make it right, gonna change my life
I don't wanna play no games
Wanna change your name to my name, baby
Not gonna be the man that I used to be, no
I changed because of you
