[Verse 1:]

You been saying that you're on a busy schedule
Well I'm standing here today just to let you know
That I'm taking over
Now I hope that you're ready for
Ready for me
Now I aint coming at you, playing like them other dudes
Cause ain't nothing more important then, then loving
you
If you want something that's new
That you would be opened too
Here's what you do

[Chorus:]

You can cancel your plans
Cancel your man
Clear out your schedule (oh yeah, oh yeah)
And pencil me in
You can cancel your plans
Cancel your man
Clear out your schedule
And pencil me in
You can cancel your plans
Cancel your man (cancel your man)
Clear out your schedule (I aint got anything to do
today)
And pencil me in
You can cancel your plans
Cancel your man (cancel your man)
Clear out your schedule
And pencil me in

[Verse 2:]

Don't mean to be easy droppin when you on the phone

And I know its Saturday

Pretty sure you that been hit with about a million lines
But I'm sure aint nobody's lovin matching mines
