Yeah  
What's up girl?

When I look at you, I can see,  
I can see the perfect girl for me  
The kind of girl with all the qualities  
That makes a brother wanna stop runnin' the streets  
Thinkin' we could be together through the years  
A perfect vision of a fantasy revealed  
Oh how I've wondered if a thing could ever be  
Tomorrow's promise baby, just you and me, yeaahh

If you were to walk by and I was to say hi,  
Could this be the chance of a lifetime?  
What would happen if I gave you my number?  
Oh how I wonder,  
The chance of a lifetime  
Would you call me?  
Would you receive me?  
If we was together, how would you greet me?  
What would happen?  
Oh how I wonder,  
If this could this be...

When I close my eyes, I picture you and me  
Takin' walks, eatin' cotton candy  
Tellin' you jokes to watch you laugh and see you smile  
Don't wanna hurt you, never wanna see you cry  
Somehow I think that you could be the one for me  
My better half baby, let's make history  
Won't let this opportunity pass me by  
Cause this could be my only chance of a lifetime,  
lifetime

If you were to walk by and I was to say hi,  
Could this be the chance of a lifetime?  
What would happen if I gave you my number?  
Oh how I wonder,  
The chance of a lifetime  
Would you call me?  
Would you receive me?

If we was together, how would you greet me?  
What would happen?  
Oh how I wonder,  
If this could be the chance of a lifetime  
Could you be the girl of my dreams?

If you could be my Queen and you know I'd be your  
King  
Can you come into my world and make me so happy?  
Flyin' high like doves in peace and harmony  
Ooohwoah hey!

If you were to walk by and I was to say hi,  
Could this be the chance of a lifetime?  
What would happen if I gave you my number?  
Oh how I wonder,  
The chance of a lifetime  
Would you call me?  
Would you receive me?  
If we was together, how would you greet me?  
What would happen?  
Oh how I wonder,  
If this could be the chance of a lifetime  
If you were to walk by and I was to say hi,  
Could this be the chance of a lifetime?  
What would happen if I gave you my number?  
Oh how I wonder,  
The chance of a lifetime  
Would you call me?  
Would you receive me?
