(Talking)

I know I messed up  
And I hope that you can forgive me  
I want you to come back  
Check it out

I've been in love so long,  
Forgot what its like to be alone.  
Wonderin what went wrong,  
Got no food on the table,  
You know I'm not stable on my own.  
Now that you're gone,  
This place doesn't feel like home.  
I'm so alone,  
(I need) I need you to come back to me.

(Chorus)

I'll get down on bended knees for you,  
Anything to make you see that with,  
You is where I have to be,  
(I need you to) come back to me.  
This loneliness is killin me baby,  
Girl you know I'm so sorry I'll do,  
Anything to make you see,  
(I need you to) come back to me.

Did I, did I hear the phone ring,  
My mind was playin tricks on me.  
Just wishin you would call,  
So I can tell you how I feel and then,  
Baby, you will be with me,  
You will see clearly ,  
See that I love you, I really do love you,  
(Please leave a message)  
Baby pick up the phone,  
You won't return my calls,  
How many time I gotta tell you that I'm wrong,  
Girl let me come on by and look you in the eye,  
I just wanna let you know that I'm sorry,  
Keep leavin messages, but I'm not feelin it,  
Need to be near you,

So you know that I'm sensin,  
Baby I know you're home,  
So please pick up the phone,  
Somebody help me (woahhh)

(Chorus)

I'll get down on bended knees for you,  
Anything to make you see that with,  
You is where I have to be,  
(I need you to) come back to me.  
This loneliness is killin me baby,  
Girl you know I'm so sorry I'll do,  
Anything to make you see,  
(I need you to) come back to me.

Said I'm in my car drivin 95,  
On my way to win my baby back tonight,  
I made a big mistake,  
I hope it's not too late,  
Cuz I can't live without my lady another day.  
I run to the door, see my baby cryin,  
It's killin me,  
I said I'm slowly dyin.  
Drop down on my knees,  
Beggin you please,  
Don't leave me,  
Don't leave me,  
Don't leave me, no  
No, no, no, no, no, no,  
Don't leave me baby.  
Said I'm sorry, I'm sorry,  
I'm sorry babe,

(Chorus x2)

I'll get down on bended knees for you,  
Anything to make you see that with,  
You is where I have to be,  
(I need you to) come back to me.  
This loneliness is killin me baby,  
Girl you know I'm so sorry I'll do,  
Anything to make you see,  
(I need you to) come back to me.
