Count on me through thick and thin
Friendship that will never end
When you are weak I will be strong
Helping you to carry on
Call on me I will be there
Don't be afraid
please believe me when I say count on...

(Tia)

I can see it's hurting you
I can feel the pain

(Roger)

It's hard to see the sunshine through the rain, ohhhhh
I know sometimes it seems as if it's never gonna end

(All)

But you'll get through it
Just don't give in
Cause you can count on me through thick and thin
A friendship that will never end
When you are weak i will be strong
Helping you to carry on
Call on me I will be there
Don't be afraid
Please believe me when I say count on...
You can count on me

Count on me
