You know my name
Can we lingo
You heard my music
It's on your phone
My ringtone
'Cause I'm blingo
After single,
get at my single
You know who you are
You know what you like
Girl you are the truth
You ain't gotta lie
Got big money
We ain't gotta try
We leave paper trails
When we walk by
Girl I want you to
Be comfortable
So me and you can go to level two
Let's get a room
Let's break the rules
Baby 'cause you know what you do

Do it, do it, know you do it well then ya
Do it, do it, know you do it well then ya
Do it well baby, do it well baby, do it well (2x)

I wanna see you drop your body down
then go up like
Suicide doors, suicide doors
See your body drop down low
then go up like

Suicide doors, suicide doors

Ain't no hatin' you
You gotta love
'Cause when you come around
I can't get enough
Can't get enough
No need to rush
Baby you can slow me down off a one touch

See I never dream to be without
A supermodel with a super house
With a super flat screen in a super couch
With a super bedroom you can take a shower
You can take a shower
girl it's bad for you
cause i gotta cam corders in the bathroom
I'm watching you, I'm watching you, I'm watching you
Girl you know you do it

Do it, do it, know you do it well then ya
Do it, do it, know you do it well then ya
Do it well baby, do it well baby, do it well (2x)

I wanna see you drop your body down
then go up like
Suicide doors, suicide doors
See your body drop down low
then go up like
Suicide doors, suicide doors
