[Verse 1:]

When we started out girl, we weren't official.
If I didn't see you everyday it wasn't an issue.
(Damn, look how we've grown)
(The only thing I spend my money on, yeah, yeah)
I didn't even used to tell you that I missed you.
Now I'm rushing through my day just to be with you.
(You're like a new drug I'm on)
(And I can't leave you alone, yeah, yeah)
Don't understand what's going on with me.

[Chorus:]

Baby, you done changed me all around.
Got me really thinking 'bout putting my pimp cup down.
Exclusively.
How I was living, I done backed it up.
Bout to trade a two-seater for a family truck.
Exclusively.
Exclusively, yeah, yeah.

[Verse 2:]

Oh, I'm usually not the type to get caught up.
Had to stop and think.
Rewind this thing up.
Either I'm losing my mind or I'm falling in love.
I don't wanna be, no oh.
(After looking for some strip club love)...Ohh
(Having 30 women in V.I.P off in the club)
(Baby, all I'm tryna say with you is where I wanna be) I
don't wanna have that baby, yeah.
I don't understand what's going on with me, yeah

[Chorus:]

Baby, you done changed me all around. (All around
yeah)
Got me really thinking 'bout putting my pimp cup down.
(Ohhh)

Exclusively. (I wanna love you exclusively, yeah ohhh)
How I was living, I done backed it up. (I done backed it up)
Bout to trade a two-seater for a family truck. (Yes I am baby)
Exclusively. (Wanna love ya)
Exclusively, yeah, yeah. (Gotta love ya, oh yeah)

[Bridge:]

Yeah, tired of playing around. (Ohhh)
Gotta shut this thing down like this. (Ohhh)
Yeah, I just wanna be with you. (Yeah)

[Chorus:]

Baby, you done changed me all around. (Yes you have baby)
Got me really thinking 'bout putting my pimp cup down. (Ohh)
Exclusively, yeah yeah. (No more out all night long letting the sun beat me home)
(I don't wanna do it to you baby)
How I was living, I done backed it up.
Bout to trade a two-seater for a family truck. (Bout to trade in the porsche)
Exclusively. (Exclusively, yes I do baby)
Exclusively, yeah, yeah.

[Chorus:]

Baby, you done changed me all around. (I done gave it all up)
Got me really thinking 'bout putting my pimp cup down. (Ohhh)
Exclusively. (Exclusively)
How I was living, I done backed it up. (Backed it up)
Bout to trade a two-seater for a family truck.
Exclusively.
Exclusively, yeah, yeah.
