Ghetto

(Ghetto angel)

Angel

(Ghetto angel)

Wassup

(Ghetto angel)

Damn, my baby is so fine

And she always on the grind

She know she one of a kind

And she always say that what's hers is mine, my baby

And vice versa what's mine is hers

She ain't faced by them other birds, yeah

She ain't never been much for words

Don't fuck around and get, get your feelings hurt

My baby is so

Ghetto

(Ghetto)

Angel

(Angel)

You'll know it when you see her

You can tell by her demeanor

She's my

Ghetto

(Ghetto)

Angel

She always got my back

And I guess I love the fact that she's

Ghetto, oh, oh, angel, oh, oh, oh

And whenever things get deep

She's right there next to me, she's my

Ghetto angel

(My love)

Ghetto angel

(Get one)

Ghetto angel

(Oh)
Ghetto angel

My baby don't play no games
Said she's allergic to the lames
I'm in love with the way she's framed
And I'm talking 'bout her body
And our love is off the chain, listen

She got money but still the same
Not affected by all the fame
And like the ghetto from where she came
Ain't a damn thing change
That's why she's my

Ghetto
(Ghetto)
Angel
(Angel)
You'll know it when you see her
You can tell by her demeanor
She's my

Ghetto
(Ghetto)
Angel
(Angel)
She always got my back
And I guess I love the fact that she's

Ghetto, oh, oh, oh, angel, oh, oh, oh
And whenever things get deep
She's right there next to me, she's my

Ghetto angel
(My love)
Ghetto angel
(Get one)
Ghetto angel
(Oh)
Ghetto angel

Ghetto, ghetto, ghetto, ghetto, ghetto angel, ooh, love
Ghetto, ghetto, ghetto, ghetto, ghetto angel
That's why she is my

Ghetto
(Ghetto)
Angel
(Angel)
You'll know it when you see her

You can tell by her demeanor
She's my

Ghetto
(Ghetto)
Angel
She always got my back
And I guess I like the fact that she's

Ghetto, oh, oh, oh, angel, oh, oh, oh
And whenever things get deep
She's always there for me, woah

Ghetto angel
(Ghetto angel)
Ghetto Angel
Ghetto angel
Ghetto angel

Oh, that's why she is my
Ghetto, ghetto, angel, angel
That is why she is my
Ghetto, ghetto, angel, angel

That is why she is my
Ghetto angel
She is my
Ghetto angel, ooh
