Walk away (Has anybody ever told you?)

[Speaking]

You're truly beautiful you know

I just thought I'd do something to let you know

[Verse one]

I can truly say

it's not everyday

Someone makes me feel this way

Just like a star

Shooting past the moon

Feel like a holiday

I wanna take you away

To another place

Where the love just over flows babe

You are like my rain that needed to fall

When the flowers would not grow

[Chorus]

Has anybody ever told you?

(That you eyes shine like pearls?)

Has anybody ever told you?

(That you're one special girl?)

Has anybody ever showed you?

(That love is here to stay?)

Cause you stole my heart on this very day

I can't let you walk away

[Verse two]

You took me by surprise

That of my eye

Like a child with Brand new tongue

I never had so much inspiration

Now my soul's filled with joy

I can feel my soul

And feel my heart

Beating for the very first time

No I'm not your man

But I'm making plans like you're already mine

Chorus:

Has anybody ever told you?  
(That you eyes shine like pearls?)  
Has anybody ever told you?  
(That you're one special girl?)  
Has anybody ever showed you?  
(That love is here to stay?)  
'Cause you stole my heart on this very day  
I Can't let you away

Hook:

Walk away  
Can't let you  
Walk away from me  
Got to keep you here there is something I want to tell  
you  
Tell you in your ear  
Baby is it too clear that I want you

Chorus:

Has anybody ever told you?  
(That you eyes shine like pearls?)  
Has anybody ever told you?  
(That you're one special girl?)  
Has anybody ever showed you?  
(That love is here to stay?)  
'Cause you stole my heart on this very day  
I can't let you walk away

[instrumental out]
