How you just gonna?
How you just gonna?

I'm not tryin' to get so emotional
But your body moves so incredible
Is it possible that we might travel on this road?
I might be the one that you've been lookin' for

(I'm in lust with you, let me touch you)
Is it cool?
(Girl, I fucks with you 'cause you does it)

How you just gonna do it like that?
Drop it like that, work it like that?
How you just gonna do it like that
Drop it like that, work it like that?

Just a little bit
(You shake it)
Just a little bit
(Can't take it)

The way you've been freaking, it's so damn wrong
Baby, how you just gonna?

Girl, it's gettin' hard, it's so beautiful
I got plans for you, it's so sexual
It's unstoppable, you ain't got to wait no more
'Cause baby, I got what you're waiting for

(I'm in lust with you, let me touch you)
Is it cool?
(Girl, I fucks with you 'cause you does it)
How you gonna?

How you just gonna do it like that?
Drop it like that, work it like that?
How you just gonna do it like that
Drop it like that, work it like that?

Just a little bit
(You shake it)

Just a little bit
(Can't take it)

The way you've been freaking, it's so damn wrong
Baby, how you just gonna?

How you gonna work that thing like that?
How you gonna drop that thing like that, girl?
Baby, [Incomprehensible] like that
Just like that, just like that

How you gonna work that thing like that?
How you gonna drop that thing like that, girl?
How you gonna keep [Incomprehensible] like that
Just like that, just like that?

We trying to set if off for you just like that
Is you like that 'cause I want it like that?
Damn, your mama gave it to you just like that
Just like that, just like that

Seen about a million but she's the winner
I'm trying to get her home, I plan to eat her for dinner
Another kamikaze, I'm opening up in her
Just like that, just like that, whoa

How you just gonna do it like that?
Drop it like that, work it like that?
How you just gonna do it like that
Drop it like that, work it like that?

Just a little bit
(You shake it)
Just a little bit
(Can't take it)

The way you've been freaking, it's so damn wrong
Baby, how you just gonna?

How you gonna do it like that, like that?
(How you just gonna?)
How you gonna do it like that, like that?
(How you just gonna?)
How you gonna do it like that, like that?
(How you just gonna?)

How you gonna do it like that, like that?
(How you just gonna?)
How you gonna do it like that, like that?
(How you just gonna?)
How you gonna do it like that, like that?

(How you just gonna?)
