### **"Kickin And Screamin"**

Marques Houston  
Kickin and screamin  
Say this is for the clubs  
Say DJ turn it up

When I say I'm on my way  
She be happier than a motherfucker  
Jumpin in the shower  
To be cleaner than a motherfucker

When I hit the door  
She be grinnin like a motherfucker  
Panties hit the floor  
Now we screamin like a motherfucker

Then she know whats next  
Imma hit it like a motherfucker  
She don't say my name  
She say baby you that motherfucker

She dont play no games  
She serious than a motherfucker  
But I gotta leave  
She furious than a motherfucker

Say I'm comin over  
She be kickin and screamin  
When I'm off up in that thing  
She be kickin land screamin

When I say I gotta leave  
She be kickin and  
Screamin

She be kickin and screamin  
Got her kickin and screamin

She say I'm so handsome  
Love when we romancin  
If she can't get it

Then she quick to throw a tantrum

Niggas put your hands up this gon  
Be the anthem  
Niggas put your hands up this gon  
Be the anthem

Everytime she see me  
She get so excited  
She ain't gotta ask me  
She know how I like it

Push me on the bed  
Love the way she ride it  
She say she feel connected  
When I'm deep inside it

When I get that wet wet  
Drippin like a faucet  
She dont wanna stop  
So she get mad at herself

Say she wasnt ready to get of it  
Im like its ok baby cuz thats gon  
Happen often

Say I'm comin over  
She be kickin and screamin  
When I'm off up in that thing  
She be kickin land screamin

When I say I gotta leave  
She be kickin and  
Screamin

She be kickin and screamin  
Got her kickin and screamin

She say I'm so handsome  
Love when we romancin  
If she can't get it  
Then she quick to throw a tantrum

Niggas put your hands up this gon  
Be the anthem  
Niggas put your hands up this gon  
Be the anthem

Give me two glasses  
Order one bottle  
Pop the cork, start to pour, sip it

Then swallow

If your game tight the you know  
What follows  
Won't see the outside world till  
Tomorrow

Mami real eager, beg me not to leave  
Her  
Pull her to the corner of the bed and  
Eat her

Knock it out the park  
Like I was derek jeter  
Put her in the bed  
And then I'm like see ya

Say I'm comin over  
She be kickin and screamin  
When I'm off up in that thing  
She be kickin land screamin

When I say I gotta leave  
She be kickin and  
Screamin

She be kickin and screamin  
Got her kickin and sreamin

She say I'm so handsome  
Love when we romancin  
If she can't get it  
Then she quick to throw a tantrum

Niggas put your hands up this gon  
Be the anthem  
This gon be the anthem [x2]
