Ohhhh.....ohh ohh
Man
I can't believe I was such a fool
To let you get away from me
Hey....
Damn

[Verse 1:]

You whispered in my ear
As soft as a summer breeze
Baby don't leave me
And I was a fool
Who didn't have the strength to walk away from you
So I chose to lose

[Chorus:]

And love's a game
I played and lost
Shoulda learned my lesson yesterday
When yesterday was far away
And love's a game
I paid the cost
Shoulda learned my lesson yesterday
When yesterday was so so far away

[Verse 2:]

The day turns into night
And yet and still fight to carry on

Without you
What's a man to do?
So I cried cried cr-ied
Myself to sleep every night
Where are you?
Are you coming back?
Said I'm bout to have a heart attack baby

[Chorus:]

And love's a game
I played and lost
Shoulda learned my lesson yesterday
When yesterday was far away, far away, far away

And love's a game
I paid the cost
Shoulda learned my lesson yesterday
When yesterday was so so far away.....
far away.....
far away.....
far away.....
far away

Yesterday was far way
Yesterday was far way
Yesterday was far way
