Yeah, here it is y'all, one more time, JD, MH
Yeah, So So Def is in the building

We go MH and Pi Pi Pi Pied Piper
MH and Pi Pi Pi Pied Piper
We keep the girls so so hyper
We make 'em say dad a dad a dada a da

Pulled up to the party in a black Lexus jeep
Hop up out the whip I'm feelin' freaky
All of the ladies come surround me
'Cause I'm so important like the H in IC

This one girl she making my body feen
I'm f'ed up on hypnotic and ice cream
So I stepped to her like I knew her
Introduced her to Jacob, the jeweler

Mami, won't you come take a ride with me
Be the girl of my fantasy
But first, won't you do one thing for me
Baby, won't you come pop ya booty for me

I love the way you move so sexy
I love the way you're all up on me
But one thing that I have to see
Is the way you pop that booty

I love the way you move so sexy
I love the way you're all up on me
Now, girl take the floor and you'll see
Let me see you pop that booty

MH and Pied Pi Pi Piper
MH and Pied Pi Pi Piper
We keep the girls so so hyper
We make 'em say dad a dad a dada a da

Girl shake that ah like there's no rules
Love the way you move in them high heel shoes
So pop your booty like Beyonce
Got me falling crazy in love with you

Making me wanna say, "Uh oh uh oh uh oh uh oh
Uh oh uh oh uh oh uh oh"
Girl you shaped like a coke bottle
So let me see you pop your thing full throttle

I love the way you move so sexy
I love the way you're all up on me
But one thing that I have to see
Is the way you pop that booty

I love the way you move so sexy
I love the way you're all up on me
Now girl take the floor and you'll see
Let me see you pop that booty

MH and Pied Pi Pi Piper
MH and Pied Pi Pi Piper
We get the girls so so hyper
We make 'em say dad a dad a dada a da

I don't do too many skinny or the runway frail
Thick with it is how we like it in the ATL
Sick with it, pants low with a real wide load
As soon as you hit the door, everybody was like whoa

I bet it's hard for you to go to the mall and buy clothes
'Cause your waist is so little and your ass is like whoa
You poppin' that thing like a Luke video
Mesmerized by the sound and the way the flutes blow

Drink in my right hand, another in my left
Crew right behind me screamin' So So Def
Now forgive me if I'm staring but I gotta know one thing
How the hell did you get all that in those jeans?

I'm behind you, grindin', more than eclipse
'Cause I ain't never seen nobody pop they booty like dis
I'm saying what you doing is major, the way you keep
Shaking, shaking, shaking what cha momma gave ya

Mami's dancing all on me
She not wearing any panties
I love the way she call me dad-da
Right after she pop it like she from Jamaica

I love the way you move so sexy
I love the way you're all up on me
But one thing that I have to see
Is the way you pop that booty

I love the way you move so sexy
I love the way you're all up on me
Now girl, take the floor and you'll see
Let me see you pop that booty

MH and Pied Pi Pi Piper
MH and Pied Pi Pi Piper
We get the girls so so hyper
We make 'em say dad a dad a da
