I can't wait to get home and ease the pressure
Cause I know once I kiss them sexy lips I'm a feel much

box
When you put that ooh-wee on me you got that good
(ohhh wooo ohhh) baby can't wait till you say my name
And we makin love baby till the crack of dawn

[Hook:]

So don't say no please say yes (cause tonight I need to

Don't say no please say yes (cause I need you more

Girl I only need you to do one thing babe... I need you
to say my name

[Chorus:]
