Put a little swag in your sex
Swag Swag in your sex
And that's how you keep her from becoming your ex

Put a little swag in your sex
Swag Swag in your sex
And that's how you keep her from becoming your ex

Put a little swag in your sex
Swag Swag in your sex
And that's how you keep her from becoming your ex

Put a little swag in your sex
Swag Swag in your sex
And that's how you keep her from becoming your ex

Put a little swag in your sex
Swag Swag in your sex
And that's how you keep her from becoming your ex

You only good at your sex game
(Sex game)
Said, you did her real good but your sex lame
She gonna be be on to the next man
You gonna be be known as the ex man

Why you telling all your friends in the bed?
(You destroyed her)
She telling all your friends in the bed
(You annoyed her)
When you put in on her didn't do
(Anything for her)
Know she goods avoiding you

Put a little swag in your sex
Swag Swag in your sex
And that's how you keep her from becoming your ex

Put a little swag in your sex
Swag Swag in your sex
And that's how you keep her from becoming your ex

Put a little swag in your sex
Swag Swag in your sex
And that's how you keep her from becoming your ex

Put a little swag in your sex
Swag Swag in your sex
And that's how you keep her from becoming your ex

Put a little swag in your sex
Swag Swag in your sex
And that's how you keep her from becoming your ex

You need to grab her from the black, lay her down flat,
yeah
And kiss her, yeah, bet she like that
Yeah, and turn her around and watch her back now
Every time you throw it, throw it better, put it in the end
zone

Your sex game wack she gon' put you in the friend
zone
This right here about to be your theme song
This right here about to be your ring tone
Why you telling all your friends in the bed
(You destroyed her)

She telling all your friends in the bed
(You annoyed her)
When you put in on her didn't do
(Anything for her)

Know she goods avoiding you
Put a little swag in your sex
Swag Swag in your sex
And that's how you keep her from becoming your ex

Put a little swag in your sex
Swag Swag in your sex
And that's how you keep her from becoming your ex

Put a little swag in your sex
Swag Swag in your sex
And that's how you keep her from becoming your ex

Put a little swag in your sex
Swag Swag in your sex
And that's how you keep her from becoming your ex

Put a little swag in your sex
Swag Swag in your sex
And that's how you keep her from becoming your ex

You need to grab her from the black, lay her down flat,
yeah
And kiss her, yeah, bet she like that
Yeah, and turn her around and watch her back now
And that's how you keep her from becoming your ex

Watch them swag sex when they play this song
She ain't at my house playin' Nintendo with no panties

No panties on, I may check my phone
Say, what's happenin' Soulja?

I got a party at my mansion girls bring 'em over
Girls everywhere we party non stop
Real talk bring the drinks get this party poppin'
Mhsb 22 every girl in here swaga sexin'

You need to grab her from the black, lay her down flat,

And kiss her, yeah, bet she like that
Yeah, and turn her around and watch her back now
And that's how you keep her from becoming your ex
